AIA Delaware

Speed Networking Event
Tuesday, January 30, 2024
New Castle, Delaware

In Person Face Time with Area Architects

Speed Networking
Expand your network! This fun speed networking event helps you meet and exchange information with area Architects, specifiers and others as you take this opportunity to introduce [or reintroduce] yourself and your company and the services, products and systems valuable to their practice.

How It Works
Reserve your table and arrive prepared with your marketing collateral (brochures, sales sheets, samples, promotional items) and be ready to discuss your company with each of the 25 architects who will visit with you for 4 minutes each, one after the other.

Happy Hour
Immediately following the Speed Networking session and before breaking down to leave, continue the conversations you started earlier in the day over a refreshing beverage and light hors d'oeuvres.

Event Location
Wilmington University
Audrey Kohl Doberstein Admissions Center
320 N Dupont Highway
New Castle, DE 19720

Use the front Parking Lot and enter the DAC through the Front Door. Security will be on hand. Wi-Fi will be available during the event. Electric service is not available at the tables, plan accordingly.
