### Career Opportunity at VanDemark & Lynch, Inc

Steinle Construction Engineers, the Structural Engineering Division of VanDemark & Lynch Inc., is currently seeking a Structural Project Engineer to join our team.

Interested candidates should be a Licensed Structural Engineer (PE) or Engineer-in-Training (EIT) with a minimum of 4 years of structural design and ACAD experience, bachelor's degree in structural engineering from an ABET-accredited university, working knowledge in Structural modeling software (Ram Steel, Risa, Enercalc, etc.) and proficient in ACAD Detailing / Drafting for Building plans.

If you are selected to join our team, you will collaborate with fellow EIT's, PE's, and CAD technicians and develop commercial building structural designs and construction drawings. We primarily work on low to medium rise structures (5 stories and less). This position requires having the ability to effectively communicate with clients, architects, and contractors.

If you are interested in joining VanDemark & Lynch team, please forward resume and cover letter to [djones@vdleng.com](mailto:djones@vdleng.com).

Visit our website [www.vdleng.com](http://www.vdleng.com) to learn more about our company.
