The people of Bernardon are our greatest asset. Our people have a passion for delivering high quality design in a collaborative, imaginative, innovative, and enjoyable environment.

Our team currently has multiple openings for a seasoned architect/designer (minimum 5 years of experience) who will be responsible for performing a variety of tasks including working jointly with Design Principals relative to the internal task of organizing, executing, and coordinating project assignments as well as preparing design and construction documents, and coordinating construction administration services. Ideal candidates will have excellent communication skills and a broad base of experience in all aspects of design and construction administration. A first professional degree in architecture (B. Arch or M. Arch) and current pursuit of architectural licensure is required. An advanced command of Revit is essential. Multifamily, mixed-use, senior living, healthcare, and/or higher education design expertise is a plus.

With three offices in the Philadelphia metropolitan area, we offer the unique opportunity to be involved with a wide variety of project types in a broad range of markets. In addition to a competitive salary and a comprehensive benefits package, you will be provided with a stimulating workplace and plentiful opportunities for growth and advancement.

If you are interested in joining our team, please send resume and work examples to: Timothy J. Cassidy, Principal, Bernardon, 425 McFarlan Road, Suite 200, Kennett Square, Pennsylvania 19348, careers@bernardon.com. For more information, visit www.bernardon.com.
