Interior Designer

The people of Bernardon are our greatest asset. Our people have a passion for delivering high quality design in a collaborative, imaginative, innovative, and enjoyable environment.

Our team is currently seeking a creative and passionate Interior Designer (minimum five years of experience). Responsibilities will include a variety of tasks including independently managing interior design projects through all aspects of the design process; developing and meeting project schedules and budgets; and maintaining client interaction and client satisfaction. Responsibilities will also include supervision of junior designers.

Ideal candidates will be self-directed individuals with excellent communication skills who are proficient in the development of interior architectural design concepts; researching, selecting, and specifying furniture, fixtures, finishes, and accessories; and documentation of architectural technical drawings and design details. Bachelor's degree in Interior Design is required. An advanced understanding of Revit, AutoCAD, SketchUp, Bluebeam, Photoshop, and PowerPoint are essential.

With three offices in the Philadelphia metropolitan area, we offer the unique opportunity to be involved with a wide variety of project types in a broad range of markets. In addition to a competitive salary and a comprehensive benefits package, you will be provided with a stimulating workplace and plentiful opportunities for growth and advancement.

If you are interested in joining our team, please send resume and work examples to Timothy J. Cassidy, Principal at careers@bernardon.com. For more information, visit www.bernardon.com.
