Intern Architect

July 28, 2017

The people of Bernardon are our greatest asset. Our people have a passion for delivering high quality design in a collaborative, imaginative, innovative, and enjoyable environment.

Our team currently has openings in Philadelphia, West Chester, and Wilmington for a creative and passionate intern architect (0-6 years of experience) who will be responsible for performing a variety of tasks including generating design concepts, preparing architectural plans and renderings, and observing/surveying architectural features of structures in the field. Ideal candidates will have a tenacious and energetic spirit, as well as a professional degree in architecture; excellent design, digital modeling and rendering abilities; and an advanced command of Revit, AutoCAD, SketchUp, Bluebeam, Photoshop and PowerPoint. Multifamily, mixed-use, senior living, and wood frame construction design expertise is a plus. In addition to a competitive salary and a comprehensive benefits package, you will be provided with a stimulating workplace and the resources to learn and grow.

If you are interested in joining our team, please send resume and work examples per the following:
