Senior Living Design Architect

July 28, 2017

The people of Bernardon are our greatest asset. Our people have a passion for delivering high quality design in a collaborative, imaginative, innovative, and enjoyable environment.

Our team currently has an opening in our West Chester office for a creative and passionate Senior Living Design Architect who will provide manager-level direction for the development of the firm's senior living practice. This person will be responsible for providing practice leadership through skills in project design/delivery, business development, staff development, and building and strengthening client relationships. Ideal candidates will have more than 10 years of senior living design experience with at least two years in a leadership/management role. A first professional degree in architecture (B. Arch or M. Arch) and architectural licensure is required. In addition to a competitive salary and a comprehensive benefits package, you will be provided with a stimulating workplace and plentiful opportunities for growth and advancement.

If you are interested in joining our team, please send resume and work examples to WestChesterCareers@bernardon.com.
