

Junior Designer / Intern Architect

R G Architects, an architectural firm in Middletown, Delaware, seeking an experienced Junior Designer/Intern Architect to start as soon as possible.

We are looking for a creative and confident person to join our collaborative design team. RGA team members are always multitasking, and are involved in every aspect of our design process.

Candidate Requirements:

- Degree in architecture or similar field
- 3+ years of professional experience
- High level of proficiency in AutoCAD is required, knowledge of Revit is a plus
- Responsible, organized, self-motivated person with strong communication skills and ability to collaborate with team members
- Experience developing construction drawings and details

Submit resume, portfolio & references to: careers@rgarchitects.net.
